Greening the Government

Greening the Government

- Executive Order 13101 (now 13423)
- Office of the Federal Environmental Executive (OFEE)
- Questions developed by OFEE (e.g., LEED)
- NETS to reflect changes in data call

FY 2006 RCRA/FSRIA Data Call

- Overall Excellent Center Participation
- NASA RCRA Data Call Submitted to OFEE
- Agency-wide Trends
 - Increased focus on janitorial contracts (e.g., green cleaning supplies)
 - Increased product substitutions (e.g., cafeteria products, WD-40)
- Data results relatively consistent with FY05
